

2019 ANNUAL DRINKING WATER QUALITY REPORT

(Consumer Confidence Report)

PERTTULA PUBLIC WATER SYSTEM

This report is intended to provide you with important information about your drinking water and the efforts made by the water system to provide safe drinking water. Perttula's water meets or exceeds all state and federal standards.

The Perttula Public Water System is operated by Perttula Community Services LLC on behalf of the residents of Perttula. Water is drawn from groundwater wells on the north side of the community and treated at the Dome Road Treatment Plant.

For more information regarding this report, please contact PCS Customer Service at (979) 555-0120. Este reporte incluye información importante sobre el agua para tomar. Para asistencia en español, favor de llamar al (979) 555-0120.
